BABY CLINIC IN ST. CLOUD PROVES PROBABLY LARGEST IN STATE FOR WHITE CHILDREN

The clinic held in St. Cloud for white babies last Saturday proved one of the most successful affairs of the kind in the city, and was believed to be the largest clinic ever held in the state for white children. The work was under the direction of Red Cross Nurse Mrs. Sandy Adams of St. Cloud and Miss Mettinger, of the State Board. Miss Mettinger is remaining for a week to assist in the follow-up work that is necessary to get the desired results from such work.

There were seventy-seven white babies and nine colored at the sessions, and the interest taken throughout the city indicated that the baby clinic shows the appreciation of the people of St. Cloud for the efforts of the Red Cross Work. Out of the total of 86 children examined, there were found forty perfect physically, so that it was impossible to award prizes as had been planned. The forty-five showing defects will be given attention at once, but only those in the defective class will be called on at their homes by Miss Mettinger.

BRAMMAR TO HAVE BIG CLEARANCE-SALE MAY 19-26

Sam Brammar announces this week that he will hold a big clearance sale for one week, beginning Saturday, May 19, and lasting until May 26. A list of attractive prices on high grade furnishings and shoes is contained in the Ramsey column in this week's Tribune, and will be the first big sale of the summer season and the reputation of Mr. Brammar's store will mean large crowds will take advantage of the offers.

VETERAN ASSOCIATION HAD GOOD PROGRAM SATURDAY

The Veteran Association met on Saturday, May 12th, with President W. Frank Kenney in the chair. Opening song, "America" was sung followed with prayer by Mrs. Clara Kenney. Minutes read by the secretary and approved. Notices read. Quartet by Butterfield, donated by Mrs. Bailey. Was sold for benefit of hall fund. St. Cloud Yell given and collection taken which amounted to \$3.92. We then listened to a very fine program given by the Women's Relief Corps, with Mrs. Bartlett in charge.

Song by the choir, "A Thousand Years."

Recitation by Robertson Bailey, "The Flag is Passing."

Honoring, "My Hope" by Mrs. Mariska.

Mr. Campbell gave a whistling solo, "Listen to the Mocking Bird," accompanied on the violin by Mr. Severin.

For encore, Song of the Veterans, Just Before the Battle Mother, Wrap the Flag Around Me Boys.

Reading, Mrs. Annette Smith, "The Kid Has Gone to the War."

Duet by Mrs. Alvin Linnam and Mrs. H. J. Hillebrandt, "The Springtime," and for encore, "Rock Me to Sleep."

Reading by Mrs. Clara Kenney, "The Flag that Makes Men Free."

Recitation, Margaret Bailey, "Two Little Flags."

Recitation, Jay Johnston, "The Watermelon."

Mrs. Mariska told a story about General Logan.

Mrs. Brown, president of the W. R. C., gave a fine reading, "What Ailed the Pudding."

Flag Salute by the Corps.

Closed by singing "The Star Spangled Banner."

FRANCES R. RILEY, Secy.

DAUGHTERS OF VETERANS MET TUESDAY AFTERNOON

The Daughters of Veterans met at 2:30 Tuesday afternoon. President Mrs. Balcum opened the meeting of the tent in regular order. Mrs. Williams, representing the Cable Piano Co. told about some wonderful bargains in her line.

Ten calls on sick were reported. Sister Severin reported some in the hospital.

Sister Clark said her husband arrived in Dayton, O., during a snow storm and is quite ill with bronchitis and expects to return to St. Cloud soon.

Sister Emma Hart retained her badge as she is unable to attend the tent meeting where she is now.

We listened to a very interesting talk by a visiting sister, Emma E. Raymond, of Chicago, whom we hope to claim as a member soon.

CLARA RHODES, Secy.

FAREWELL PARTY AT WILLIAMS HOME FRIDAY

Nurse Williams held a musicale at her home Friday evening in the interest of Brown's Chapel and a farewell to Mrs. Godfrey Chelsey and Bennett, who are leaving for their northern homes soon.

CITRUS MEET CALLED OFF ON ACCOUNT RAINS

The big citrus meeting announced for 2 o'clock yesterday afternoon was held under a deluge of rain, although County Agent Wilson brought Prof. J. R. Watson, entomologist of the Florida Experiment Station, Prof. J. C. Hays, specialist on insects and plant diseases and W. W. Jenkins, district county agent from the experiment station to address the growers of the St. Cloud section. Heavy rains at Kissimmee also interfered with the field meet that was to be conducted by these gentlemen yesterday morning, and when they did reach St. Cloud it was to meet another disappointment. As the experiment station workers are only allowed one day in a county, on any one trip, growers are urged to watch the Tribune columns for the announcement of the next meeting, which county agent Wilson will arrange at a date in the near future.

CEMETERY CLEAN-UP SUCCESS

The cleaning-up-tee at the Mt. Peare Cemetery, last Thursday proved conclusively that the American Legion has the strength to back up its slogan "A Greater St. Cloud." There is nothing that shows the status of a city as the way in which its cemetery is kept.

Commander Truog and about three-fourths of the St. Cloud Legion were on hand early and worked late. Rev. Landies, Ex-Mayor Porter, Dr. Foster, Merchant McGill and Comrades McPherson, Blood and Cummings represented the Chamber of Commerce. Half the city council were there and Street Commissioner Hight and his four efficient helpers carried off the debris with teams. The Grand Army has also well represented and the women with their hoes were very much in evidence. Mr. Collins, Sr., pruned and cultivated the maples, oaks and shrubs. Nurse Williams and Miss Cranston brought carloads of people and provisions.

The cameras were not needed, for when a person rested a moment he was soon spotted and was encouraged by a remark something like this: "Get to work, you're no statue!"

The invigorating air of the bracing May day gave the men a keen appetite and they did full justice to the ample spread which the women of the cemetery association provided. The chicken sandwiches suggested and brought into existence by Mr. E. E. Lutzmann were greatly appreciated, as were the cakes and pies by the world war veterans' wives.

Many thanks are due to all who helped at the cemetery, in carrying the people out there, or in providing the good things to eat. Also for the favor the ladies are asking the men who could not come out Thursday. There is still about one third of the grass to be removed, and all who will kindly help to pay for getting this work done by giving the price of an hours work or two hours work (25c or 50c) are urgently requested to hand the same to Dr. Foster.

In all probability the public of St. Cloud will not be called on again to work at the cemetery, as plans are being made to employ a section who will give his entire time to keeping the cemetery in order.

PLAN TO HEAT NEW SCHOOL BUILDING BY ELECTRICITY

Mr. Sam Brammar appeared before the council Monday and asked what rate could be given the school board for heating purposes. He explained that in the day time when the street lights and many other lights were off the city engines were idle about half the time, and in heating the school they would use the city electricity only from nine o'clock in the morning until five in the afternoon, when the city did not need it. The council appointed a committee to see what rate they could make the school. The council seemed to think that this will be a paying proposition for both the city and the school.

THE PURPOSES OF THE CHAMBER OF COMMERCE OF THE CITY OF ST. CLOUD

The purpose for which the Chamber of Commerce of St. Cloud, or any other chamber of commerce or Board of Trade, was formed is to promote advancement for bettering of conditions in many ways.

Our meetings are held every Wednesday between twelve and one o'clock at which time a luncheon is served to every one in attendance, and the topics for discussion are heard. These luncheons are gotten up by committees on entertainment for that particular week; when next week there will be another committee, so the work will not fall on any committee too often. The duties of this committee on entertainment is to see to having the luncheon cooked and delivered to the Chamber of Commerce rooms and the committee then serves it to the members which makes the task very light for the committee. Everyone present pays for his or her luncheon so there is no expense to the Chamber of Commerce as a whole. The business men and women of our city have to eat luncheon somewhere, and if they can come to a meeting of this kind and hear the things that are worth while relative to the advancement of St. Cloud discussed, they can improve the time to no better advantage.

Every business man or woman in St. Cloud, who is operating a business here should belong to this Chamber of Commerce. There is not one

business house located here but what is wholehearted and soul interested in seeing our city go forward and becoming greater and larger as the years pass by. There is not one of these business houses but what know that it is CO-OPERATION that spells success in pushing most any kind of enterprise forward. Let it be what it may, and every man and woman that is in business in St. Cloud should belong to the Chamber of Commerce.

You merchants buy a certain article to sell in your store and as soon as it arrives you begin to advertise it to the people who come into your store; tell them about it and push it all you can. It is the same way with our town. We must advertise it to other people who have not heard about it; we must improve it; we must plan and carry out some ways and means to make it attractive for them when they get here.

Other cities are constantly planning and expending money to make their particular city interesting to the tourist, and St. Cloud must do the same. If we expect to go forward as we should, there isn't a business house in St. Cloud but what knows that his or her business is greater during the tourist season than the balance of the year, and they should be willing to give one hour a week of their time and meet with the Chamber of Commerce and push St. Cloud ahead.

REGULAR SERVICES AT THE CHRISTIAN CHURCH

The regular services will be held next Sunday in the newly repaired house. We just can't tell you how beautiful the building looks, both inside and out since it has been completed. Mr. Morgan and his workmen have certainly given us a mighty nice job, and the new lights, well, you will simply have to come in and see them. Every member should make an extra effort to be there Sunday morning. If you claim to be a member of this church you can't afford to miss the services Sunday.

We extend a hearty invitation to the public to come and worship with us.

ELDER J. P. HANER.

COUNCIL AIDS PUBLICITY

On Monday the city council agreed to give the Chamber of Commerce \$500 for part cost on a new booklet that will be printed by the Tribune in the near future, advertising St. Cloud.

The council also elected Mayor Parker as superintendent of the city light and water plant.

It was agreed to order twelve new sanitary garbage cans to be placed in the business section of the city.

KENANSVILLE SCHOOL CLOSING

The Kenansville school will close today and the following parties will be present: Mr. Sam Brammar and wife, Mr. and Mrs. Colvin Parker, Mr. O. H. Bloech, Mrs. Howard Katz, Capt. C. E. Yowell, Mrs. Sandy Adams, Red Cross Nurse and Mr. Shupard, former superintendent of Volusia County. Mrs. Adams was going to be present at the baby clinic being held at Kenansville.

Last Saturday night on the street corner in front of the postoffice, a fight between Tommy Jurkovich, Will Louis Hiram Padgett, John Padgett and Dewey Padgett, resulted in Will Louis suffering a broken leg. At the Mayor's court Monday Hiram Padgett had three charges lodged against him, one for fighting, one for using profane language and the other for interfering with the marshal while under arrest. He was fined \$60. The others that appeared were fined \$25 each.

Mr. and Mrs. James Buchanan left for Brownstown, Ill., on Wednesday. This was their thirteenth winter in St. Cloud, having come here in the fall of 1910 for Mr. Buchanan's health. They found the climate so delightful that they have been coming back every winter since.

NEW BATHING PAVILION TO BE COMPLETED FOR USE ON FOURTH OF JULY; PLANS READY

The announcement that a new and modern bathing pavilion will be erected on the site of the recent fire on the lake front at the foot of Ohio avenue will be welcome news to the whole city as well as to the hundreds of winter visitors that come annually to St. Cloud.

Mr. A. H. McIntosh and his wife barely escaped with their lives by jumping through a window at the time of the fire which destroyed the pavilion which had only been completed a short while and which was a very popular gathering place. At the time of the fire the injuries to Mrs. McIntosh were such that plans for rebuilding were held up until she had recovered. Her condition being so satisfactorily improved, plans have already been prepared for the new pavilion which construction will be worked out to meet the needs of the general public.

Monday Mr. McIntosh asked the city council to run water mains to

the lakefront, and also light wires. The council granted the lights but could not extend the water at the expense of the whole city, whereupon several public spirited citizens got busy and raised a private subscription for the needed water extensions. The request for water extension was primarily for fire protection to guard against preventing a loss to the new pavilion in the future, but a number of other property owners will also be benefited who are residing on the lakefront and nearby.

The city has also agreed to take advantage of the offer to use lots at the corner of Ohio and Lakefront for auto tourist's camp ground, just across the street from where the new pavilion will be constructed.

Plans for a big celebration on the Fourth of July are being discussed and all haste will be made on the pavilion so that it may be ready to accommodate the public at that time.

LOCAL NEWS NOTES

Julian P. Sikos of Ft. White, Fla., is visiting Mr. and Mrs. Colvin Parker for two weeks. Mr. Sikos is an old school mate of Mr. Parker.

Colvin and Leslie Parker have returned from Palatka where they have been attending an executive committee meeting of the American Legion.

Edwin Harkness and daughter, Miss Bertha Harkness, have returned to their old home in Mobile, Ala., after having spent another pleasant winter in St. Cloud. They will return to their beautiful home on New York avenue before the snow flies next winter.

Col. Francis E. Boyd passed away at his home on New York avenue last Friday morning. Mr. Boyd was a colonel in the Civil War. He had lived in Denver, Colo., for a number of years, but came to St. Cloud about a year ago for his health. The body remains in Elsiestein Bros. funeral parlors awaiting final arrangements for shipment, when it will be sent to Washington, D. C., and burial take place in the Arlington cemetery.

Col. James F. Camp died of apparent heart failure Tuesday afternoon about 4:30 o'clock while bathing in the lake. Mr. Camp was 87 years old and was numbered among the pioneers of St. Cloud when the city first started, later moving west and only having returned here during the past year. The body was taken to Elsiestein Bros. Undertaking parlors and prepared for shipment to the former home of Mr. Camp in Chicago, where it will be cremated and the ashes then taken to a former residence in Iowa of his early days. The remains were accompanied by the bereaved wife, who was the only relative living in this city.

The Spanish War Veterans had a reunion at Sanford last week, May 7, 8, and 9. The St. Cloud Outpost has eleven members and nine of them were present. The party included Mr. and Mrs. Eld George, Mr. and Mrs. Fred Stevens, Mr. and Mrs. H. C. Hedrick, Harry White and sister, Mrs. J. F. Free, Mr. and Mrs. J. A. McCarthy, Edd Albertson, Gabe White, Geo. Rains, Carl Klimt, and daughter Rosemary. Mr. J. A. McCarthy is the sergeant in charge of the local outpost of the Spanish War Veterans. The reunion next year will be held at St. Petersburg. While in session at Sanford the reunion received congratulations from the St. Cloud post of the G. A. R. and American Legion.

FOR SALE—Partly furnished house, two lots, Maryland avenue. Small payment down, balance like rent. Will make an attractive place to anyone wanting a good home. See Mrs. Foster.

A TRIBUTE TO OLD GLORY

By MRS. JOSEPHINE MARSKIE
Old Glory is the most magnificent banner that floats the air. It is the symbol of power, glory and majesty of our Nation.

To all the world it proclaims the principles and justice and freedom upon which this government is founded. We cannot too often learn anew the lesson of its symbolism or renew the inspiration born of its history.

Old Glory was inspired by the Almighty, conceived in the brain of Geo. Washington, born of Betsey Ross, adopted and made historical by the Declaration of Independence by Thomas Jefferson.

Manufactured and established by the constitution of the United States by our forefathers, made heroic by Andrew Jackson in his "By the Eternal" the Union must and shall be preserved, purified and born again, by the emancipation proclamation of Abraham Lincoln, upheld and sustained by great Hayes, Garfield, Harrison, McKinley and two million brave boys in blue, baptized in the blood of many of them and christened "Old Glory."

A rather wide experience induces us to believe that more people are interested in what's what than who's who. —Continental Enquirer.

Soft Coal Industry Suffers Equally With General Public From Drawbacks, Declare Leaders

JOHN C. BRYDON

ALFRED M. OGLE

John C. Brydon, of Somerset, Pa., chairman of the Bituminous Operators' Special Committee, and Alfred M. Ogle, of Terre Haute, Ind., president of the National Coal Association, are two leaders in the first attempt of the bituminous coal industry to present even a partially united front in the solution of its problems.

"The operators suffer equally with the public from certain fundamental evils affecting the coal industry, and share the public's desire to solve them," Mr. Brydon recently said.

"On the one hand we have had 9,000 independent bituminous operators, with no semblance of organization. If the laws of supply and demand were given free play the 'cut-throat competition,' which is the only serious charge against us, would harm only us. The public would benefit, and, as a matter of fact, the efficient operator would also benefit.

"Over against our disorganization, however, the industry contains the startling paradox of the com-

plete labor monopoly in the world. The United Mine Workers of America, a highly organized and possessed of a \$15,000,000 annual war chest through the 'check-off' system, compelling the operator to collect a tax on labor and turn the proceeds into union coffers, has secured a stranglehold on coal production. Before war emergencies gave labor the excuse to effect its present monopoly in the coal field, there was always a steady supply of the product at satisfactory prices."

Counsel for the committee of which Mr. Brydon is chairman has filed formal charges with the United States Coal Commission, asking public hearings at which to prove organized violence or the part of the union in support of destructive labor monopoly, ruthless breaking up of all labor relations, no matter how satisfactory, other than those sponsored by the United Mine Workers of America, and the use of enormous, secretly expended funds for warfare on the industry and the public. The commission has been asked to abolish or regulate the "check-off."

At End of Record Non-stop Flight

From New York to San Diego, Cal., in 26 hrs., 50 min., 48 2/3 sec., is the history making achievement of these two army fliers, Lieut. John S. MacReady (top) and Lieut. Oakley Kelly. It is the longest non-stop flight on record. It is hinted that the big monoplane was equal to many more hours, if army officials had cared to disclose the possibilities of the huge Liberty motor at this time.

What Became Of the First Adam and Eve

By J. P. BLOOD

By a careful reading of the first
and second chapters of the Book of
Genesis we find that there were two
creation periods, and in each is named
an Adam and Eve in conjunction with
the other productions.

Proceeding to the 20th verse of the said
first chapter is the full description of
the creation of the earth and all species
of animals, trees and plants.

Commencing at the 20th verse we
have the following narrative, closing
with the three verses of the follow-
ing chapter, to-wit:

18th verse. "And God said let US
makek man in our own image, after
our likeness; and let him have domin-
ion over the fish of the sea, and over
the fowl of the air, and over the cat-
tle, and over all of the earth, and
over every creeping thing that creep-
eth upon the earth.

"And God created man in his own
image, in the image of God created he
him; male and female created he
them.

"And God blessed them, and God
said unto them, be fruitful, multiply,
and replenish the earth and subdue
it; and have dominion over the sea,
and over the fowl of the air, and over
every living thing that moveth upon
the earth.

"And God said, behold, I have given
you every herb bearing seed, which is
upon the face of the earth and every
tree, in the which is the fruit of
a tree yielding seed, to you it shall
be for meat * * *

"And on the seventh day God ended

his work which he had made; and he
rested on the seventh day from all
his work which he had made."

And as far as disclosed life has con-
tinued to rest as there is no further
account in regard to Him, and His
created works.

Commencing at the fourth verse of
the Second Chapter we have the nar-
ration of the second creation as fol-
lows, to-wit:

"These are the generations of the
heavens and the earth, and when they
were created in the day that the LORD
GOD made the earth and heavens.

"And every plant of the field be-
fore it was in the earth, and every
herb of the field before it grew; for
the LORD GOD had not caused it to
rain upon the earth, and there was not
a MAN to till the ground. But there
went up a mist from the earth, and
watered the whole face of the ground.

"And the LORD GOD formed MAN
of the dust of the ground, and breath-
ed into his nostrils the breath of life,
and man became a living soul.

"And the LORD GOD planted a gar-
den eastward in Eden, and there he
put the MAN that he had formed.

"And out of the ground made LORD
GOD to grow every tree that was
pleasant to the sight, and good for
food; the tree of life also in the midst
of the garden, and the tree of knowl-
edge of good and evil.

"And the Lord God took the man
and put him into the garden of Eden
to dress and to keep it. And the
LORD GOD commanded the man, say-
ing of every tree of the garden thou
may freely eat. But of the tree of
knowledge of good and evil thou shalt
not eat of it: for in the day that thou
eatest thereof thou shalt surely die.

"And the LORD GOD said it is not
good that the man should be alone; I
will make him an help meet for him.

"And out of the ground the Lord God
formed every beast of the field, and
every fowl of the air, and brought
them unto Adam to see what he would
call them, and whatsoever Adam called
every living creature, that was the
name thereof.

"And Adam gave names to all cat-
tle and all fowls of the air, and to
every beast of the field; but for Adam
there was not found an help meet
for him.

"And the LORD GOD caused a deep
sleep to fall upon Adam, and he slept;
and he took one of his ribs and closed
up the flesh instead thereof.

"And the rib which the LORD GOD
had taken from man, made he a wo-
man and brought her unto the man."

You will notice that instead of di-
viding the two chapters according to
the sense, it was divided so as to
emphasize the second description so
that the word "these" would not be
noticed but that it referred to the
past rather than to the future.

And you will further notice that
"this" man was simply a creature of

the dust inflated with the breath of
life, and not as the image of his
creator, the LORD GOD, nor the
GOD.

I need not recount the narration as
to the temptation and fall of this sec-
ond Adam and Eve, it is a familiar
story.

What I wish to know is this—
Why was the first God and his
works, including the creation of the
first man and woman wholly ignored?

Was it because there was no meat
in it to build up and maintain an
oligarchy, whereby the Jewish Priests
could dominate the unenlightened and
unfortunate class, and subject them to
their aggrandizement? Or was it that
the conditions were more favorable for
the promulgation of the principles of
intellectual and moral development?

It seems that the prevailing thought
was, that to establish and maintain
their preeminence, it was necessary
to have a heaven and a hell; a devil
to resist and a GOD of wrath to ap-
pease.

And so they adjusted things in that
way. And those conditions have been
successfully passed along, and are yet
in a flourishing condition.

It matters not that Geologists and
Astronomers tell that there cannot be
an actual hell within the confines of
their range of observations as dis-
closed by the conditions of nature.

Nor that their LORD GOD evolu-
tionized their devil to a snake, and
that he destroyed the snake in the
flood, as it was not taken into the
ark.

Those conditions are still held up
to the susceptible public and degrad-
ed to be the only true created condi-
tion as emanating from their LORD
GOD.

When the attributes attributed to
the "architect" devil-selfishness, prej-
udice, and pride are dissolved out of
the mind, and their space filled with
love, esteem and consideration, then
we will have a society of the fullest
enjoyment.

And it is to be hoped that the age
of reason has dawned, so that the
succeeding generations may look thru
"Nature up to Nature's God" and not
through the imagination to an imagin-
ary Lord God.

While the conditions of the world
have been as the first conditions could
have continued to exist.

No sin or sorrow, no killing of mil-
lions of people to establish the child-
ren of Israel in the land of Canaan, no
Crucifixion and no burning at the
stake.

St. Cloudlets

S. W. Porter, real estate, insurance.
Mrs. P. L. Raynor left Tuesday for Long Island, New York. She expects to return next winter.

L. C. Riddle, Dentist, Conn Building. Appointments made.

Born to Mr. and Mrs. J. C. Galloway on May 10th, an eight and one-half pound boy, at Danvers, Pa.

Dr. J. D. Chunn, Physician and Surgeon: office only, opposite St. Cloud Hotel.

H. B. Ketter and wife, and Mr. L. T. Love left Tuesday for their home at New Philadelphia, Ohio.

Pure Jersey Milk at the Model Dairy 10c per quart.

Miss Jennie Anderson, who has been spending the winter in St. Cloud left Tuesday for Kansas.

Fertilizers for Berries, Tomatoes and Citrus. H. C. HARTLEY HARDWARE.

A. W. Griswold left Tuesday for Minnesota on a business trip where he will be gone for some time.

Charles Dwyer has gone to Jacksonville to spend a short time before going on to his northern home.

Photograph records of "The Hugger" Cross, etc., by Mr. and Mrs. Mills on sale at VARIETY STORE, 41

Dr. Wm. H. Dodds, Physician and Surgeon, office near St. Cloud Pharmacy. Day and night calls promptly attended. 1747

Mr. and Mrs. Ed Hedrick and children have returned home from a trip to Miami and other points on the East Coast.

John Pixley of Deland, but formerly a resident of St. Cloud, was a business visitor here Tuesday and Wednesday of this week.

Mrs. Nellie Jordan, who spent the winter season in St. Cloud with friends, has returned from a visit to her old home at Bradentown.

A. T. Meeker is installing a new filling station at the Progressive Garage this week. This makes two big filling stations at this garage.

Misses Leota and Emily Hillborn, of Bradentown, N. C., are making a two week's visit with Mr. and Mrs. O. F. Hillborn.

Mrs. Sadie C. Fleming left last week for her home in Virginia. She is expected to return here next fall.

Mrs. M. M. Merrill left Tuesday for California where she will spend the summer. She will return here next winter.

Mr. and Mrs. Geo. Anderson and wife, and Mrs. Christine Anderson, left Tuesday for their home in Connecticut.

FOR SALE: Large Glass Jerry dishes, 25c. Individuals to match. Saturday only. Come early. Variety Store.

Mrs. Annett Smith and Miss Irene Ellyson, who have spent the winter here, left Wednesday to visit with friends in Iowa and Nebraska.

R. M. Albertson left Wednesday for Bangor, Pa., via Jacksonville, from which place he will continue by boat to Philadelphia.

Mrs. K. Lamb, who has been spending the winter months with her son, Leon D. Lamb, arrived home safely according to word received by Mr. Lamb.

The Melbourne Baseball team will be here this afternoon to play with the local team. We all hope that they will give us an exciting game.

H. D. Brainerd, an old-timer, expects to leave the 22nd for the Wisconsin Veterans Home, near Wausau, Wis. He will return to St. Cloud early in the fall.

Mrs. Sarah J. Wilson of Salem, O., and Mrs. Letitia Hughes, of Columbus, O., left Tuesday for their respective homes after a very pleasant winter in St. Cloud.

J. E. Poole and family left last week for a short visit with Mr. Poole's father and mother who live at Ft. Myers. Mr. Wm. Adams is in charge of the barber shop while Mr. Poole is away.

The Boy Scouts will change their meeting place from the Methodist Annex to the second floor of the City Hall. The boys have a wireless set and are planning on putting it up at the hall as soon as possible.

Two traveling mechanics for the American Lumber Company were here last Tuesday giving the first of a general overhauling. These mechanics go around every year and

25 KILLED

Yes, sir, it's a fact. A man went into his bedroom the other night and found 25 mosquitos. He immediately dashed down to the hardware store (near the depot) and got a bottle of Watson's Skeeter Killer, returned home and killed the pesky things.

Watson's Skeeter Killer is death to flies, fleas, gnats, roaches, bed-bugs and other insects. It sells for 30c per bottle.

McGILL & SCOTT

We Serve-U Right

make any repairs that may be needed on the fire trucks.

Charles White, formerly of this city but now of Maunee, Fla., is spending several months with his son in Denver, Colo. His wife and her father, Joseph W. Richardson, expect to leave soon for a visit in Massachusetts and Maine.

Mrs. L. E. Grimm and daughter, Mrs. M. C. Dull, and her two sons, Edsel and Ford Dull, all left in a party last Tuesday driving through in a car to Mrs. Dull's home in Indiana. Mrs. Grimm will return in about two weeks.

Miss Mary Snyder, who has been spending several weeks in St. Cloud with her cousin, Mrs. J. K. Conn, left Friday for her home at Uniontown, Pa. She expects to make several stops at points of interest while enroute to her home.

Mrs. J. S. Bracken and Mrs. J. W. Hankin returned on Tuesday from a month's visit with their brother, Mr. G. W. Benfey, manager of the Cedar Key Hotel at Cedar Key, Fla. Although they enjoyed the visit they were glad to get back to St. Cloud again.

A very pleasant social evening was enjoyed Monday evening, May 14th, by the members of the Baptist choir and their families and friends at the home of Mrs. F. E. Penny, the occasion being a surprise for Mrs. Penny's daughter, Miss Irene Ellyson, who will leave Wednesday to spend the summer in Iowa with relatives. About thirty

SAM BRAMMAR

St. Cloud

How the American People have been taught to eat Florida Grapefruit

Ten years ago it was reliably estimated that less than five per cent of the people of the United States knew anything about Florida grapefruit.

Grapefruit from Florida are now more or less regularly eaten in about twenty-five per cent of American homes, according to recent investigations.

Millions of housewives buy Florida grapefruit for their families and insist that dealers supply them with grapefruit bearing the Sealdsweet trade mark.

The introduction of Florida grapefruit to such a greatly increased number of people has been accomplished by the educational advertising we have done as members of the Florida Citrus Exchange.

We, the growers who cooperate in that organization, realized ten years ago that to absorb the future production of Florida grapefruit would require an immensely greater consumer demand than existed.

Consequently, at that time we decided to systematically develop such demand by telling the public about Sealdsweet grapefruit and educating the housewives as to the food and health values they possess.

This work we were forced to do by ourselves unaided by growers outside of the Florida Citrus Exchange and under the very serious handicap of ruinous competition from the fruit of our fellow growers who marketed through non-cooperative and speculative channels.

We have succeeded mighty well, the results of our work making the grapefruit industry a substantial one, with a future of promise. There yet remains the task of convincing the other three-fourths of the American people that they should also eat grapefruit.

Why not cooperate instead of competing? Why not join us for mutual benefit and profit?

Do you want your grapefruit and orange so advertised that the consumption may absorb the production without reducing prices to an unprofitable level? Then join the Florida Citrus Exchange and market under the Sealdsweet trademark by and for Florida. Consult the manager of the nearest association or sub-Exchange or write the business manager at Tampa, Florida.

The FLORIDA CITRUS EXCHANGE

people were present, ice cream and delicious homemade cake were served by the guests.

F. E. Philpott and family arrived in St. Cloud last Tuesday night from Fort Lauderdale. They will remain here a week before returning to their home, Mr. Philpott and daughter, Miss Helen, have gone to the reunion being held at the institution for the Deaf and Blind at St. Augustine. Mr. Philpott is a former employee of the Tribune Company, and has many friends in the city who were glad to welcome him to the Wonder City again.

NOTICE

Notice is hereby given that the City Council sitting as a Board of Review, at its regular session, will cause the valuation on the following properties:

Personal, Lots 1, 2, 3, 4, Block 156, Isaac Newton, Owner, valued from \$75.00 to \$100.00.

Lot 1, 2, 3, 4, Block 160, Silas Cooks, Owner, valued from \$1,000.00 to \$2,200.00.

Notice is further given that said Board of Review will meet at ten o'clock on Wednesday, May 23, A. D. 1923, to hear any complaints on said changes in valuations.

St. Cloud, Florida, May 17th, A. D. 1923.

L. M. PARKER, President of Council
JOHN B. COLLINS, City Clerk
Approved: L. M. PARKER, Mayor

Notice is hereby given that the City Council of St. Cloud, Florida, will receive bids for the construction of a certain drainage project on Indiana Avenue, St. Cloud, Florida.

Said drain to be of eight inch tile and all necessary information can be had at the office of the City Clerk, St. Cloud, in the City Hall.

Bids will be opened on Friday, May 25th, A. D. 1923 at 10 o'clock a. m. A certified check of ten per cent of the bid must accompany same.

The City Council reserves the right to reject any or all bids.

L. M. PARKER, Mayor
JOHN B. COLLINS, City Clerk

APPLICATION FOR TAX DEED

Notice is hereby given, that A. W. Dougherty, purchaser of Tax Certificate No. 397 dated the 7th day of June A. D. 1923 has filed said certificate in my office, and has made application for tax deed to issue in accordance with law. Said certificate embraces the following described property, situated in Osceola County, Florida, to-wit:

Lot 15 of Block 156 of St. Cloud, Fla. The said land being assessed at the date of issuance of said certificate in the name of R. A. Clark. Unless said certificate shall be redeemed according to law, tax deed will issue thereon on the 10th day of June, A. D. 1923.

(Ct. Cl. Seal) J. L. OVERTURET, Clerk Circuit Court, Osceola County, Fla. May 17-June 14

Why Take the Chance?

To be without protection for the wife and baby? Why not carry a small policy that will pay you so much a week in case you are sick, so much a week in case you meet with an accident, and a thousand dollars or upward to the beneficiary and double in event of accidental death. I can write you covering above in one policy. I now have the agency for the Reliance Life Insurance Co. of Pittsburgh. S. W. PORTER, Insurance Agent

NOTICE TO STOCK OWNERS

I am advised by the Board of County Commissioners that complaints have been received by them that the tax about live stock inspection is not being complied with.

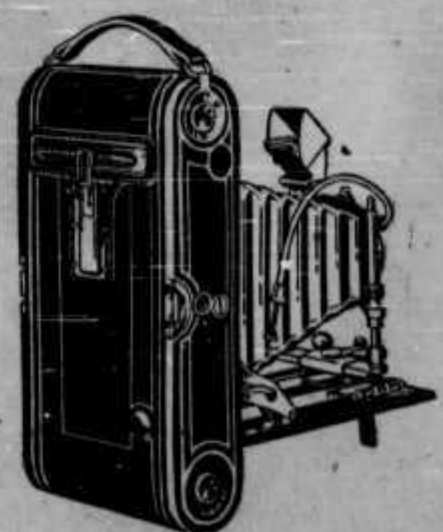

It is to give notice that it is a violation of the criminal law to sell or butcher for sale any live stock unless the inspector for the District has been notified and a record made by him, which is also required to be reported to the Board of County Commissioners.

From and after the publication of this notice offenders will be prosecuted in the extent of the law.

May 15th, 1923.
MILTON FLEMING, Prosecuting Attorney.

FRANK HADEY, experienced auto mechanic will do your work 50c per hour. Any other kind of work reasonable. Handy with any tools or machinery. P. O. Box 214, or SW Cor. Florida and 13th Street. 39-47

666 Cures Malaria, Chills and Fever, Dengue or Bilious Fever.
